SELECTION AND AWARD CRITERIA

16. Selection criteria

The following selection criteria will be applied to the tenderers. In the case of tenders submitted by a consortium, these selection criteria will be applied to the consortium as a whole. if not specified otherwise. The selection criteria will not be applied to natural persons and single-member companies when they are sub-contractors.

1) Economic and financial capacity of the tenderer (based on item 3 of the tender form). In case of tenderer being a public body, equivalent information should be provided. The reference period which will be taken into account will be the last three years for which accounts have

¹ as listed on <http://ec.europa.eu/environment/enlarg/candidates.htm>

been closed.

- Tenderer (i.e., the consortium as a whole, in the case of a tender from a consortium): will not be economically dependent on the Contracting Authority in the event that the contract is awarded to it; and has sufficient financial stability to handle the proposed contract, confirmed by:
 - Annual turnover in the year before last year and in the last year at least 14,000 EUR (exceeding the annualised maximum budget of the contract)
 - Current ratio (current assets/current liabilities) in the last year at least 1

2) Professional capacity of the tenderer (based on items 4 of the tender form).

The reference period which will be taken into account will be the last three years from submission deadline.

- Tenderer (i.e., the consortium as a whole, in the case of a tender from a consortium) has sufficient ongoing staff resources and expertise to be able to handle the proposed contract, and is not a so-called 'body shop', i.e. a tenderer with no real expertise in fields related to the contract but which simply identifies and proposes experts to fit the project description, confirmed by:
 - Permanent staff in the past and current year: at least 4, out of which 2 relevant experts in the field of aquarium concepts and projects development
 - Relevant staff in the past and current year: at least 1 expert in the field of budgeting for aquarium concepts and projects

3) Technical capacity of candidate (based on items 5 and 6 of the tender form). The reference period which will be taken into account will be the last three years from submission deadline.

- Tenderer (i.e., the consortium as a whole, in the case of a tender from a consortium) has sufficient expertise and experience to be able to handle the proposed contract, confirmed by:
 - Experience in planning public aquarium facilities
 - Experience in planning aquarium life support systems
 - Experience in supporting architects for planning public aquaria
 - Experience in planning aquaria in existing buildings; important advantage is experience in planning in protected areas (e.g. UNESCO)

Previous experience which would have led to breach of contract and termination by a Contracting Authority shall not be used as reference. This is also applicable concerning the previous experience of experts required under a fee-based service contract.

An economic operator may, where appropriate and for a particular contract, rely on the capacities of other entities, regardless of the legal nature of the links which it has with them. It must in that case prove to the Contracting Authority that it will have at its disposal the resources necessary for performance of the contract, for example by producing a commitment on the part of those entities to place those resources at its disposal. Such entities, for instance the parent company of the economic operator, must respect the same rules of eligibility - notably that of nationality - and must fulfil the same relevant selection criteria as the economic operator. With regard to technical

and professional criteria, an economic operator may only rely on the capacities of other entities where the latter will perform the works or services for which these capacities are required. With regard to economic and financial criteria, the entities upon whose capacity the tenderer relies, become jointly and severally liable for the performance of the contract.

17. Award criteria

Best price-quality ratio.
