

Radionica: Invazivne i unesene vrste

Nacrt dnevnog reda

10.00-10.10	Uvodna riječ	Dr Mirko Đurović, direktor Instituta za biologiju mora
10.10-10.20	Projekat „Monteaqua“	Dr Radoje Laušević, menadžer projekta Monteaqua
10.20-11.00	Invazivne i unesene vrste u Hrvatskoj- implementacija zakona i iskustva	Dr Jakov Dulčić, Institut za oceanografiju i ribarstvo, Split
11.00-11.20	Diskusija	
11.20-11.40	Pauza za kafu	
11.40-12.00	Nacrt zakona „Invazivne i unesene vrste“ Crne Gore	Milena Bataković, Agencija za zaštitu životne sredine
12.00-12.15	Monitoring novih i inazivnih vrsta riba i rakova metodom LEK (Local Ecological Knowledge)	Jovana Tomanić, Institut za biologiju mora
12.15-12.35	Invazivne i unesene vrste slatkovodnih ekosistema	Dr Danilo Mrdak, PMF, studijski program Biologija
12.35-12.50	Dozvole za uvoz, izvoz i držanje biljaka, gljiva i životinja i zaštićenih vrsta koje se koriste u komercijalne svrhe	Jelena Leković, Agencija za zaštitu životne sredine
12.50-13.10	Diskusija (nadzor, inspeksijske službe, nadležnosti, preklapanje zakona)	
13.10-14.00	Pauza za ručak	
14.00-14.10	Platforma „9mCollab“	Dr Radoje Laušević, menadžer projekta Monteaqua
14.10-15.00	Diskusija	

Workshop „Invasive and alien species“

Draft Agenda

10.00-10.10	Introduction	Dr Mirko Đurović, director of Institute of marine Biology
10.10-10.20	Project „Monteaqua“	Dr Radoje Laušević, project manager, Monteaqua
10.20-11.00	Invasive and alien species in Croatia - Law implementation and experiences	Dr Jakov Dulčić, Institute of Oceanography and Fisheries
11.00-11.20	Discussion	
11.20-11.40	Coffee break*	Interviews
11.40-12.00	Law draft „Invasive and alien species“ in Montenegro	Milena Bataković, Environmental Protection Agency of Montenegro
12.00-12.15	Monitoring new and invasive species of fish and crabs, method LEK (Local Ecological Knowledge)	Jovana Tomanić, Institute of Marine Biology
12.15-12.35	Invasive and alien species of freshwater ecosystems	Dr Danilo Mrdak, Faculty of Sciences and Mathematics, Department Biology
12.35-12.50	License for import, export and holding of plants, fungi and animals used for commercial purposes as well as protected species	Jelena Leković, Environmental Protection Agency of Montenegro
12.50-13.10	Discussion (supervision, inspection service, jurisdiction, overlapping of laws)	
13.10-14.00	Break for Lunch	
14.00-14.10	Platform „9mCollab“	Dr Radoje Laušević, project manager, Monteaqua
14.10-15.00	Discussion
